

**NLP Diploma** - visit <http://www.zestlearning.co.uk/nlp/nlp-diploma> for latest dates.

This 3-day course will improve your communication with your family, friends and colleagues, help you to understand people better, and improve your confidence. You will set your own goals and be motivated to achieve them with energy and positivity.

Developed in the 1970s by John Grinder and Richard Bandler, NLP is often described as the study of human excellence.

Run by NLP Trainer Nikki Bartlett, trained and certified by John Grinder, Carmen Bostic St Clair and Michael Carroll at the NLP Academy, this course will cover the latest thinking in NLP. The course content forms part of the Practitioner syllabus, which is certified by the NLP International Trainers Association.
